IVAN LOZIĆ

Front-end Developer

My objective is to obtain a position within the industry where I can utilize my skills in Front-End Development. As an athlete, I have learned to constantly demonstrate a strong work ethic by always giving one hundred percent. Furthermore, I have built strong relationships through collaboration and teamwork with teammates and coaches. I would persist in accountability throughout any job I am given with the ability to adapt, and a strong will to learn.

EDUCATION

Bachelor's degree in Economics and Finance 2019-2023
Faculty of Business Economics and Entrepreneurship
PEP, Belgrade

Front-End Web Development - Course 2022
FTN –Informatika
